reader asks

Recently while cleaning my basement I came across a very old, very large book of matches.

Groucho Marx is on the cover with a quote: "A penguin is only a duck in a monkey suit".

The back of this matchbook advertises "Hello, I Must Be Going Groucho & his friends by Charlotte Chandler".

Inside the matchbook it is autographed my Groucho with a clever drawing of Groucho incorporated into the letter G in Groucho.

Can you tell me anything at all about this matchbook? Inside are all 11 of the original over-sized matches. Thank you for your time..

Please e-mail groucho@config.com with answer thanks
